

DATA SHEET

KIT 240MM/ MINI SMART HAMMER

Devices

*Packaging included Kit

Function

Linear sliding impact rod designed to transmit robust, forward impact. It has been called the most precise manual impact tool in the world. Designed to meet specific applications. Its function is to eliminate finger crushing and pressing accidents, replacing sledgehammers and hammers. It can withstand high temperatures and aggressive environments.

Features

- High strength steel;
- Safety bolt;
- Rubberized glove;
- Special steel tips;
- Anti-spark material;
- Electrostatic paint finish, safety yellow color.
