## GUIDING STICK GRIP HD

Devices

### Function

The **Agmov Grip HD Stick** is designed to meet the needs of operations where great precision is required. With a specially designed gripper, it is ideal for picking up small parts, directing loads or removing the load lifting device. As part of the HD range, it is also highly recommended for more robust activities.

\*Also use the "Vertical Handle" accessory (Code: 271), for models from 1.5 m upwards, for even more comfort and ergonomics.

### Features

- Fabricado com alumínio Alloy;
- Molas galvanizadas;
- Pinça de alta precisão em aço;
- Manopla emborrachada;
- Acabamento feito com pintura eletrostática, na cor amarelo segurança.
