

DATA SHEET

STRETCH FILM STICK

Devices

Function

The **AGMOV® Stretch Film** Stick offers a correct fixation of the film roll to the load and allows the professional to apply it both at the base and at the top of the load in safe and ergonomic conditions. It has a specific place to place the hands and offers length adjustment of the stick so that the tool can be adjusted to the best posture of each employee, providing the most suitable position to perform the activity.

Features

- Aluminum
- Polypropylene

HS CODE

82055900

Models/Code/ Weight

Film Stretch Stick Cód: 2185
