

GUIDIND STICK FIXED ROAD SMART

The Fixed Rod Smart Guiding Stick is a light and sturdy piece of equipment **designed for positioning hoisted loads where the employee needs to use greater force.** It has a fixed length and the tip can be easily connected using push pins, ensuring a firm connection during use.

*Also use the "Vertical Handle" accessory (code: 271), for models over 5.0 ft (1,5 m) , for even more comfort and ergonomics.
