

DATA SHEET

FIXED ROAD SMART GUIDING STICK

Devices

Function

The Haste Única Smart Guiding Stick has been developed to perform more robust operations while handling cargo. With a tougher aluminum tube, it is helpful in operations such as: load marking, adjustment of lifting, chip pickup, etc. Just click to lock the head. * Using the accessory "Vertical Handle" (code: 271), for models over 1.5 mts is recommended for even more comfort and ergonomics

Features

- Made of Alloy aluminum;
- Rubber grip;
- Electrostatic painting finishing (safety yellow).

Models
